RJ Construction

Now is the time for

SOLAR ENERGY!

* **PHOTOVOLTAICS** *

(319) 373-9672

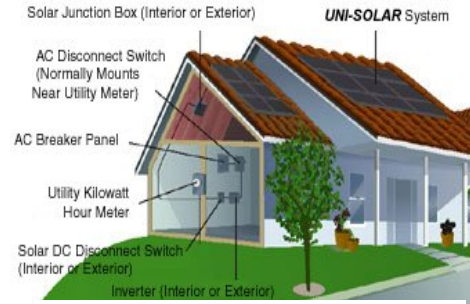

Solar Power!

Our newest solar panels are producing!!

Our newest photovoltaic system; an eight panel **Wacker** tracking unit (below) is up and running. We are creating and using FREE electricity! This tracking unit produces 1 KW electricity per hour.

Now bringing solar energy to your home!

The interior workings of solar shingles.

Solar Energy Means Free Electricity.

Photovoltaics (PV)

Photovoltaic solar cells, directly

Solar PV panels on roof.

convert sunlight into electricity, and are made of semi conducting materials.

The simplest cells power watches and calculators while more complex systems can light houses and provide power to the electric grid.

Modular solar panel and stand.
